PG DEPARTMENT OF COMPUTER SCIENCE

ANNUAL REPORT 2023-2024

Career opportunities:

- Software Developers
- Database Administrator
- Computer Hardware Engineer
- Computer System Analyst
- Computer Network Architect
- Web Developer
- Information Security Analyst
- Computer and Information Systems Manager
- IT Project Manager
- Computer and Information Research Scientist
- Software Tester
- Network Administrator
- Application Developer

STAFF PROFILE

Name: Mrs.K.MALARVIZHI.,M.Sc.,M.Phil.,SET,

Designation: Head/Assistant professor, Department of Computer Science

She is a qualified lecturer with 19 years of experience in teaching. She is a trained and active NSS program Officer. She has a passion for programming languages. She has participated and presented papers in many State and National level Seminars/ Workshops/Symposium. She is interested and actively involved in facilitating and guiding women folks to enhance and enlighten their knowledge and values in the society.

Name: Mrs.N.SUGANYA.,M.Sc.,M.Phil.,

Designation: Assistant Professor, Department of Computer Science

She is an Assistant Professor in the Computer Science Department at the Velumanoharan arts and Science College for women. She is a qualified lecturer with 2 years of experience in teaching. Her research is about “picture covert allocation scheme with autostereogram”, she has interested in image processing. She is work honestly and hardworking.

Name:Mrs.M.NAGA SWATHI.,M.Sc.,M.Phil.,

Designation:Head, Department of Computer Science

She is an Assistant Professor in the Computer Science Department at the Velumanoharan arts and Science College for women. Her field of research interests is in applied machine learning. She has participated and presented papers in Workshops. Her passion is to teach and uplift the students particularly women of rural background.

Name: Mrs.S.SARUGASINI.,MCA.,M.Phil..

Designation:Assistant professor, Department of Computer Science

She is a qualified lecturer with 2 years of experience in teaching. Her field of interest in research is networking. She has published articles in International Journals. To create, innovate and implement career-enhancement programs to students.

Name: Mrs.M.SATHIA PRABHA,MCA.,M.Phil.,

Designation: Assistant professor, Department of Computer Science

She is a qualified lecturer with 7 years of experience in teaching. Her field of interest in research is data mining. She has participated and presented papers in many State and National level Seminars/Workshops/Symposium. Her passion is to teach and uplift the students particularly women of rural background.

Name:Mrs.K.VANITHA.,MCA.,

Designation:Assistant Professor, Department of Computer Science

She is a qualified lecturer with 15 years of experience in teaching. Her field of interest in research is Data Mining. She has published articles in International Journals. Her passion is to teach and uplift the students of rural background.

Name: Mrs L.HEMA LATHA.,MCA.,M.Phil.,

Designation: Assistant Professor, Department of Computer Science

Self-motivated and intuitive computer science teacher with over 10 years of experience and promoting educational programs in varying capabilities. Decisive leader, system thinker and problem solver with excellent organizational skills. Committed to help students unlock their unlimited potential and achieve academic success. Highly adept at breaking down instructional steps. Talented at monitoring student's growth and offering motivating guidance to struggling students.

REPORT-CANTEEN

Date:12.08.2023

Venue : College Campus

It's an excellent initiative! Combining the efforts of the Entrepreneurship Development Cell and the Computer Science Department Association to promote a canteen sale of homemade snacks and beverages is a creative way to foster entrepreneurial skills among students. "Saturday Special" sounds like a catchy and inviting event name, too.

The sale was inaugurated by the college Secretary, Mrs. Shakuntala Parthasarthy and the Principal Dr. Kanchana Amarnath at 11.00 am and Co-ordinators, the Heads of all the departments followed by students of computer science UG and PG.

Students from our departments prepared a variety of snacks and other food items as well as fruit juices. An awesome ambience was created in the campus and an overwhelming response from students as they put up stalls with a variety of mouth watering delicacies. That sounds like a fantastic showcase of skills. It's great to see students getting involved in various aspects of food preparation, display, marketing, and sales. Not only does it provide them with valuable hands-on experience, but it also allows them to express their creativity and entrepreneurial spirit.

The Secretary and Principal congratulated the students for the success of the event.

According to the direction of our principal **Dr.Kanchana** Amaranth , Mrs.K.Malarvizhi, Head & Assistant professor, Department of Computer science was organized Paper Presentation on “**Artificial Intelligence**” on AUG 10, 2023. The function was started at 10.00 am with Tamil thaivazhthu. The program was hosted by L.Yuvadharshini, III B.Sc, Computer Science. Welcome address was given by S.Silmiya Shifa, II Year, Department of Computer science. Presidential address was by Dr. Kanchana Amarnath, Principal, VMASCW. Secretary Ms. P. Shakuntala Parthasarathy inaugurated the occasion by welcoming the resource person with memento and shawl. The session started with **PAPER PRESENTATION ON AI**. The Resource person **Dr.Rajiv Gandhi, Assistant Professor, Govt Arts and Science College for Women ,Paramakudi** , gave the keynote address on the topic “**Research Methodology**”. Our PG students have actively presented research papers in leading the programme successfully. The presentation explored various innovative methodologies regarding the **Research Methodology**. 21 participants have presented 10 research papers .The Presentation continued with interaction of students by asking queries to enlighten their knowledge to their students. The session came to end with vote of thanks delivered by S.Aiswarya, II M.Sc, Department of Computer science. In her speech she extended her heartfelt thanks and gratitude to the Management, Principal, HoD and faculties. The event ended with National Anthem.

Dear Rajiv Gandhi,

Warm Greetings”

Our Institution VELU MANOHARAN ARTS AND SCIENCE COLLEGE FOR WOMEN, has been established in the year 2019 is affiliated to Alagappa University, with the motto “Empowering women for change”.

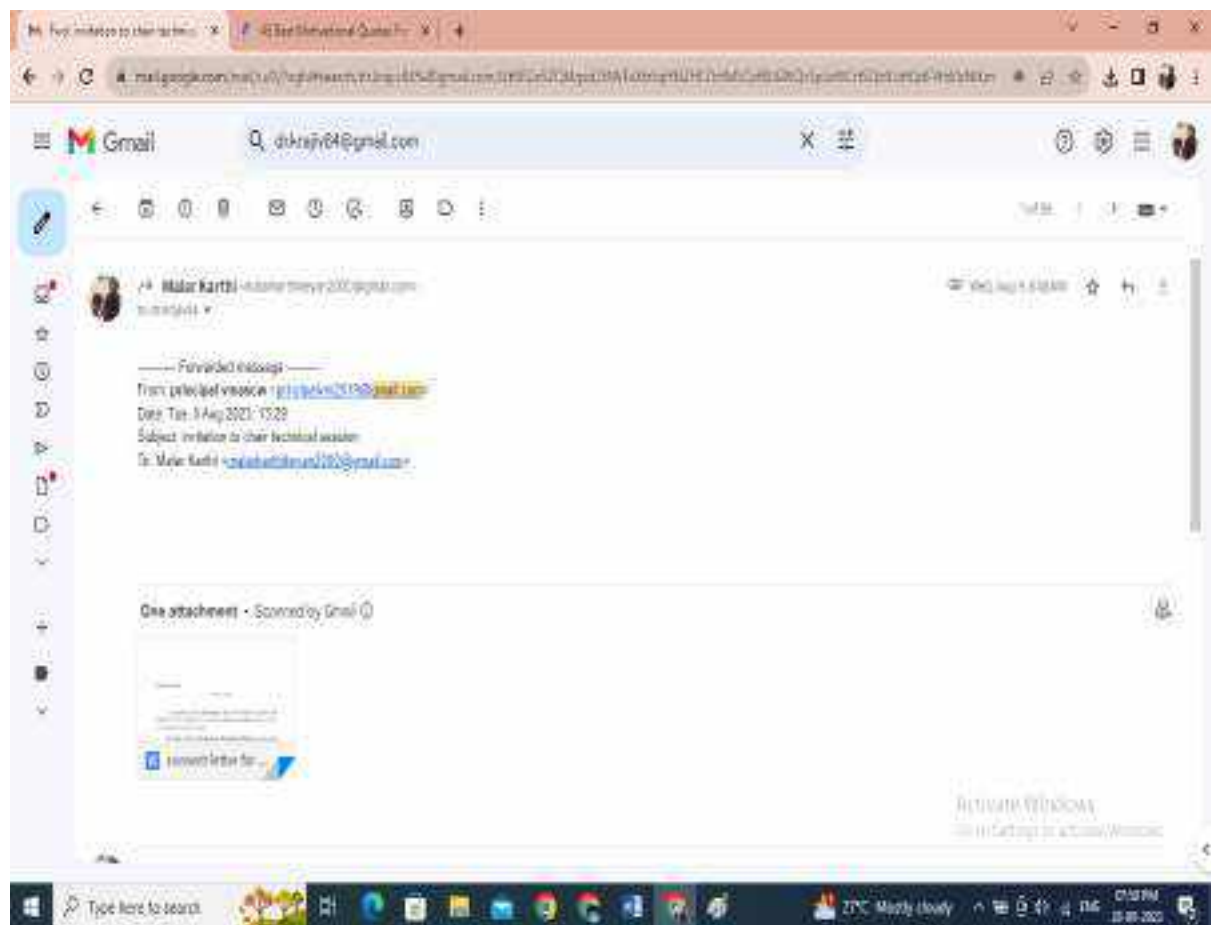

Our College is located on Devipattinam- Ramanathapuram Highway on a quiet serene area that it contributes women to meet the challenges of the existing educational system into reorienting itself in order to respond to the needs of today’s society and we are having courses of Arts and Science in undergraduate level.

We are happy to inform you that our department hosting a paper presentation session for the students as apart of our curriculum to enrich their knowledge, presentation and communication skills and to boost their confidence. At outset, On behalf of the management, I would like to formally invite you to be a Session Chair for this technical session which is to held on August 10th 2023.

We hope you would be able to support us we believe your expertise and insights would be of great value to our students.

Please find the attached document which consists of the topics of the paper presentation of the students. We highly appreciate it if you could confirm your participation at the earliest.

Date:12.09.2023

Venue: Auditorium

The Department of BCA organized a Virtual Power Seminar on AI and Data Science, graced by the expertise of Mr. Rajkumar Kalaimani, Senior Engineer at Altimotrik India Pvt. Ltd. Our department students actively participated, emerging with a profound grasp of the fundamental concepts, applications, and advancements in Artificial Intelligence and Data Science.

This seminar, thoughtfully paired with insights into AI Internships, served as a beacon for knowledge dissemination and career guidance, significantly enriching the students' comprehension. It impeccably achieved its objectives by furnishing a holistic understanding of AI and Data Science.

Indeed, the seminar sparked a wave of interest and motivation among students, propelling them towards the pursuit of further studies or careers in AI and Data Science.

Venue: College Seminar Hall

Date: 14.09.23

Time: 10am -3.00pm

The One Day Workshop on "LaTeX" organized by the MathsSkeeters Association of Velumanoharan Arts and Science College for Women witnessed enthusiastic participation from our department students.

The inauguration of the workshop was graced by our beloved Principal, Dr. Kanchana Amaranth, who motivated the attendees and honored the Resource Persons, Mrs. J. Malar, Head & Asst Prof of Mathematics, and Mr. Kadhar Kani, Asst Prof of Mathematics from Syed Hameedha Arts and Science College, Kilakarai.

Mrs. J. Malar commenced the session by introducing the basic commands in LaTeX and demonstrating how to create documents using LaTeX. Following the lunch break, Mr. Kadhar Kani conducted a technical session on creating documents using tables and utilizing Mathematical expressions like Quadratic equations, differential equations, Integrations, Matrices, and various symbols in LaTeX.

Our computer science students shared their feedback with the resource persons and the principal, expressing gratitude for the insightful workshop. They found the LaTeX workshop beneficial in understanding programming languages and their application in both Mathematics and Computer Science fields.

“The journey of a thousand miles begins with one step.”
– Lao Tzu, Ancient Chinese Philosopher

Technothon of the PG Department of Computer Science conducted an event “Paper Presentation on Machine Learning” on the 23rd of September, 2023 from 1.15 p.m. to 3.15 p.m. under the guidance of our faculty coordinators.

P. Rithika student of II B.Sc., Computer Science welcomed the persons who were part of the presentation. The inaugural address was given by our Secretary Ms. Shakuntala Parthasarathy and the presidential address was by our Principal Dr. A. Kanchana mam.

The event was held in the Seminar Hall and was coordinated by the members of the **Technothon**. It was conducted as a team event with a maximum of 2 students in a group. The presentation primarily focussed on bringing out innovative ideas from students on the latest trending technologies (Machine Learning).

Students from our departments actively participated in the same. Teams have also worked on certain projects related to the topics and are also ready to publish as Journals. They have done a lot of research and are working on their projects. Some of the other topics they presented were on Student Attendance System Using Facial Recognition, Seedling Classification Using CNN.

The teams were evaluated by a panel of judges comprising Ms. Shakuntala Parthasarathy, Dr. A. Kanchana Principal. It was evaluated based on their technical knowledge, soft skills and their presentation.

II B.Sc., Computer Science student, Ms. R. Kiruthika gave a vote of thanks. The entire event was hosted by M. Sahana Barveen from II B.Sc., Computer Science.

The event concluded successfully with the participants and the audience learning the latest advancements in technology and motivated us to research and work on these topics.

One-Day Workshop on Artificial Intelligence and Data science

On the 31st of January 2024, a One-Day Workshop on Artificial Intelligence and Data science tools was held at Idhaya College for women organised by the Department of Computer Science, Computer Application and Mathematics and facilitated by Professor Dr.L.Arockiam, Dr.M.Kriushanth and Dr.V.Arul Kumar from St.Joseph’s College (Autonomous) were the resource persons for this workshop.

The workshop was divided into 4 sessions. The first two sessions were held before lunch. First session was conducted by Dr.M.Kriushanth. He introduced key concepts on artificial intelligence, defining critical terms, capabilities as well as current limitations of AI. The second session was conducted by Dr.V.Arul Kumar who explained key concepts of artificial intelligence. Basic algorithms were also covered during the session. Both the sessions also included multi-media resources to better elucidate key concepts.

Two hands-on sessions were conducted for building upon the knowledge and concepts learnt from the previous sessions. The key concepts were introduced from the absolute basics as this workshop was designed to cater to participants with any skill level in coding. Multiple simplified examples of AI were coded.

The students showed keen interest in the workshop and have gained a hands-on experience in the topics of Artificial Intelligence.

Overall students and faculty members participated from different departments. This workshop was a good learning experience for the participants. They had the opportunity to familiarize themselves to AI and Data Science tools whilst also having the opportunity to interact with some of the best resource persons in the country. The workshop convener was Mrs.S.Punithamary, Head of the Department of BCA. During the valedictory function, the certificates were handed out by Dr.C.Jothimary, Principal and Secretary of Idhaya College for women.

State Level workshop on “Research Data Analysis using R” was organized by the Department of Computer Science at Madurai Sivakasi Nadars Poiner Meenakshi Women’s College, Poovanthi on 07.02.2024. Our students from second year attended the event.

The Welcome speech was given by mistake Ms.Sudharani, Head of the department. A brief introduction to the program was given by the principal Dr.T.Visumathy. The Resource person Mrs. Ramya delivered the presidential talk in which she discuss the usefulness of the program for numerous statistical applications. She covered the topic introduction to R, data types, structures and basic statistical analysis. The R programming workshop aimed to a equip participants with fundamental skills in data analysis using R.

The workshop was held in two sessions. The first session was an orientation in which the instructor introduced R and then the participants had time to prepare for the course by making sure that R and Rstudio were installed properly.

At the second session the participants learned about variables and functions as the most basic knowledge of R and then practiced how to extract only the necessary data from pre-prepared datasets and to create graphs with the extracted data .The resource person gave valuable insights into R programming to the students. Overall the workshop was very informative and useful .The students gained a brief introduction to start the journey in R programming.

Prof. A. Padmapriya delivered the welcome address. Registrar Dr. A. Senthilrajan, in his inaugural address outlined the need for innovations in the field of Computer Science. Also, he encouraged the students to take up initiatives for software development as well as opportunities for software entrepreneurs. Sr. Prof. T. Meyyappan delivered the felicitation address. Dr. Santhosh kumar proposed vote of thanks. Nearly 150 participants from 12 different colleges participated in this technical symposium. This event was organized by the ALUCSSA by collecting sponsorships from various organizations. Fifteen different events were conducted and students from various institutions in Tamil Nadu have participated. Juries invited from various departments assessed the performance of the students and graded.

Vice-Chancellor Prof. G. Ravi in his valedictory address motivated the students, explained the openings for Computer Science graduates in the present scenario and distributed prizes and certificates to participants. Our student R.Sarabunisha from first year won third prize in **Rapid Keys (Typing)** event. Students from our college bagged the overall Trophy of TECHNOVA-2024. The symposium report was presented by A. Idhaya Catherine, Treasurer – ALUCSSA. Computer science students' association members have made elaborate arrangements.

VETRE – REPORT

DATE :05.02.2024

PLACE : Government Girls Higher Secondary School, Thiruppalaikudi

On behalf of the department of Computer Science, organized a program VETRE (Velumanonian’s Empowerment Training and Reach out programme for Education) which was conducted at Government Higher Secondary School, Thiruppalaikudi. The primary objective of the program was to advocate female students to strive for academic excellence and pursue their career goals with confidence. Additionally, the program aimed to aware of social media. And also trained the students to fill out the online applications.

Ms. Thowfika Banu from II B.Sc., Computer Science delivered merits and demerits of social media in daily life. Ms. S. Uthra, from II M.Sc., Computer Science has conducted interactive sessions to train the students to fill out online application interactively.

Next, Ms. Shilmiya Shifa from II B.Sc., Computer Science has given guidance and insights to higher secondary students for making career decisions in Computer Science.

VETRE program strengthens the connection between a student’s education and the world they live in. It can provide tools for students to connect how forces in society, the economy and politics affect their everyday lives. It can show students how to influence those forces. This program creates awareness and inspires students to find solutions and work toward change. To end the program on good note, we thanked the HM, staff members and students for making the program to achieve its goal.

REPORT-JOB FAIR

Date:03.04.2024

Venue :Auditorium

JOB FAIR – 2024 organized by Training and Placement Cell in association with Krishna International School Devipattinam, at college campus on 03 April 2024. A job fair is an event in which colleges, schools provide an opportunity to potential employees. Because just to give the best education or training to the students is not enough. The system has to provide platform to the students to implement & explore their skill in professional field. Our department student L.Yuvadharshini from III B.Sc computer science participated and also selected for the teaching profession. The main aim of this JOB FAIR 2024 was to provide candidate opportunities to place themselves at college campus itself.

STUDENTS TESTIMONIALS

"I am truly grateful for the transformative experience I've had at VMASCW. This institution has equipped me with the skills and knowledge needed to thrive in the dynamic tech industry. Through immersive coursework in computer science and invaluable internship placements, I've gained a profound understanding of the field and a distinct advantage in the job market. The supportive community and guidance from faculty have played a pivotal role in shaping my journey. As I step into the next chapter of my career, I carry with me a deep appreciation for the contributions of this college to my personal and professional growth."

"VMASCW has played a pivotal role in shaping my character. One of the standout features of my college experience has been the rich cultural exchange among students hailing from diverse backgrounds. The faculty members are the cornerstone of our institution, fostering an environment of support and guidance beyond traditional classroom instruction. Their commitment to mentorship goes beyond academics, enriching our learning journey and defining the essence of our college experience."
